DEAN OF STUDENT AFFAIR'S MESSAGE

**Prof. Ankita Sharma
Dean of Student Affairs**

Dear Class of 2025,

As you prepare to step beyond these gates and into new horizons, I find myself reflecting on the journey we've shared—a journey defined not just by milestones and memories, but also by the unmistakable essence of life on our Jodhpur campus.

Together, we walked through scorching summer afternoons, where every step across sun-warmed stone paths felt hard-earned and yet full of purpose. You braved the desert heat with determination, on your way to class, group projects, and student events, your energy unwavering even under the fierce Marwar sun. And then, there were the evenings. The kind that Jodhpur does best. Late-night meetings under starry skies, in a campus alive with life and quiet magic.

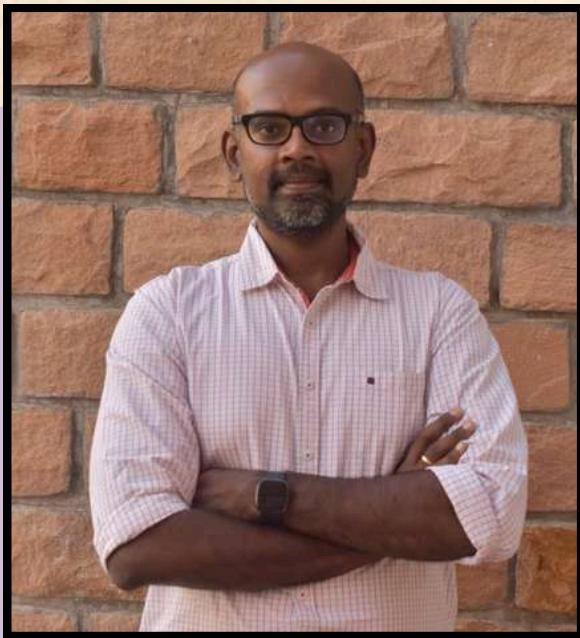

The soft rustle of peacocks in the distance, the cautious gaze of wild rabbits darting into the underbrush, and the calm presence of deer grazing near the hostels, these moments created a sanctuary of reflection, connection, and belonging. The seasons passed, each painting our campus in a new light. The monsoon brought brief, joyous bursts of green with beautiful flowers and the sweet scent of wet earth. Winters arrived with crisp air and golden mornings, perfect for chai-fueled conversations and outdoor gatherings. Through it all, you were not just students here, you were contributors, caretakers, and creators of this vibrant ecosystem 😊↑.

With your peers, our faculty, and our tireless staff, you built a community defined by compassion, collaboration, and courage. Your initiatives, your voices, your mischiefs, your complaints and your presence shaped this institution in ways both visible and quietly profound. As you now carry the name of IIT Jodhpur into the world, remember that your journey continues to reflect on this institute and all those who were part of it. You are ambassadors of its spirit, its values, and its future. And wherever life takes you next, know that you will always have us backing you, cheering for you, and welcoming you home.

Congratulations, Class of 2025. Thank you for walking this journey with us. May the road ahead be just as rich in color, connection, and meaning.

With deepest pride and warm wishes,
Ankita Sharma
Dean of Student Affairs
IIT Jodhpur

SAA PRESIDENT'S MESSAGE

Dr. Shankar Manoharan
President, SAA | Associate Dean, Alumni Relations

Dear Class of 2025,

It's that special time when we transition from student life into a lifelong bond with IIT Jodhpur. As you've carried forward the values and knowledge instilled on campus, I extend to you my warmest wishes for success and fulfillment in the chapters ahead. Before we fully step into the world beyond IITJ, I encourage you to reflect on the friendships forged, the relationships nurtured, and the memories created. Those moments will stay with you for years to come. The bonds you've built here are not only lasting but will continue to grow deeper as you move forward. Embrace the connections that this community offers and never underestimate their power in both personal and professional spheres.

One simple, effective way to ensure you stay connected is to periodically log in to the Alumni Web Portal. Please take a moment to update your profile. These details aren't just for records; they empower you and your peers to help each other, collaborate, and strengthen our IITJ Family. As proud members of this community, your journeys matter to us. Every milestone you share brings immense pride to the Institute and your mentors.

Think back to that pivotal moment when a mentor's encouragement or a senior's advice helped you overcome uncertainty. Now it's your turn. Reach out to a junior, offer guidance, share experiences, and know that our alumni network has your back, just as you will have theirs.

As the President of the Society of Alumni Affairs, I'm thrilled to see our digital yearbook come to life. It's a wonderful reminder of how far we've come and how we continue to support one another. My deepest congratulations to everyone who helped turn this vision into reality.

Let me leave you with a belief that guides us: Institutions are measured by the good their alumni bring into the world. So yes, aim for the stars. But above all, aim to leave a positive impact wherever your journey takes you.

With heartfelt gratitude and best wishes for the incredible path ahead
Dr. Shankar Manoharan
Associate Dean, Alumni Relations
President, Society of Alumni Affairs
IIT Jodhpur

SAA VICE PRESIDENT'S MESSAGE

Raghubeer Kulkarni
Vice President, SAA

Dear Class of 2025,

As you turn this unforgettable page in your journey, I write to you not just as a junior, but as someone who has quietly admired your presence, leadership, and the spirit you've brought to our campus. On behalf of the Society of Alumni Affairs, I extend my heartfelt wishes as you step into the world beyond these walls; stronger, wiser, and forever a part of the IITJ family. The legacy you leave behind is not just etched in LHC, or departments, but in the hearts of those who followed you; in the traditions you carried forward, in the courage with which you faced challenges, and in the bonds you nurtured here. You've shaped the culture of our institute in ways that will be felt for years to come.

As you now join the alumni community; a space where your connection to IITJ becomes deeper and more enduring. We hope to see you remain actively involved. Programs like the Alumni-Student Mentorship Program (ASMP) are built around the belief that your journeys, stories, and wisdom can guide those who come after you. We'll always be grateful for your willingness to give back, to mentor, and to keep the flame of this legacy alive.

Even as you scatter across cities, nations, and careers, may you carry with you the comfort of knowing that IITJ will always be home. Your memories here — the laughter, late nights, last lectures, and scribbled T-shirts — now become part of our shared history.

We'll miss you, and we'll remember you. But more than anything, we look forward to seeing you return — not as students, but as pillars of our ever-growing alumni family.

With warmth and deep respect,
Raghubeer Kulkarni
Vice President
Society of Alumni Affairs
IIT Jodhpur

SAA OVERALL COORDINATOR'S MESSAGE

**Mahi Chauhan
Overall Coordinator, SAA**

Dear Seniors,

As you get ready to step beyond these familiar walls, I wanted to take a moment to write to you — not just as the Overall Coordinator of the Society of Alumni Affairs, but as a junior who has learned so much simply by watching you all.

In countless small ways, you've shaped this campus into the place it is today. Whether it was the way you led teams, cheered the loudest during fests, stayed up late working on projects, or shared quiet advice with those who needed it — you've left a mark that can't be measured in buildings or events, but in the spirit of our community.

You've taught us what it means to belong here, to push boundaries, and to care for one another. And as you move on to new places, I hope you remember that IIT Jodhpur will always be home, waiting with open doors and familiar faces. I also hope you'll stay connected as alumni, because your stories and experiences are priceless for those of us still finding our paths.

We'll miss the energy and laughter you brought to campus. But we're also excited to see the incredible things you'll go on to achieve — and to welcome you back someday, not just as seniors we admire, but as part of a family that keeps growing stronger every year.

Thank you for everything you've given us. Wishing you all the courage, joy, and success the world has to offer.

With respect and affection,
Mahi Chouhan
Junior & Overall Coordinator
Society of Alumni Affairs
IIT Jodhpur

In SAA, we find more than recovery—we form a family bound by shared courage, understanding, and unwavering support. Each of us uplifts another through every challenge, reminding us that none of us walks alone. We joyfully welcome our seniors into our alumni circle, whose wisdom lights our path and whose presence makes our journey richer. United in spirit and care, we walk forward together—stronger, connected, and forever at home.

SOCIETY OF ALUMNI AFFAIRS TEAM

NEW INITIATIVES

SAA's InternBridge connects current students with alumni-employed mentors and structured internships across tech, design, data, and more. Alumni guide students through real-world projects, offering feedback, networking introductions, and career insights. This hands-on collaboration builds skills and confidence while deepening alumni-student bonds. Since launch, participants report clearer career direction and stronger professional relationships with their mentors—demonstrating how InternBridge builds bridges between learning and lifelong community.

InternBridge

Alumni-Student Mentorship Program

Our ASMP pairs students one-on-one with experienced alumni who offer tailored guidance—whether choosing a career path, higher studies, or navigating life transitions. Through regular sessions, alumni share their journeys and advice, while students bring fresh perspectives and ambition. In its first cycle, ASMP matched over 100 mentor-mentee pairs, with rating the relationships as “highly impactful.” These enduring connections ensure wisdom flows both ways and reinforce SAA's mission of intergenerational support.

SAA's Legacy initiative has raised over ₹10 lakhs through heartfelt contributions from our seniors, building a fund that honors our shared journey and fuels future growth. This milestone enabled us to begin constructing a beautiful gazebo on campus—a space for reflection, connection, and celebration. As the gazebo takes shape, it stands as a living symbol of generosity, continuity, and community—reminding us all that our legacy lives on in every shared moment under its roof.

IT'S TIME FOR POLLS!

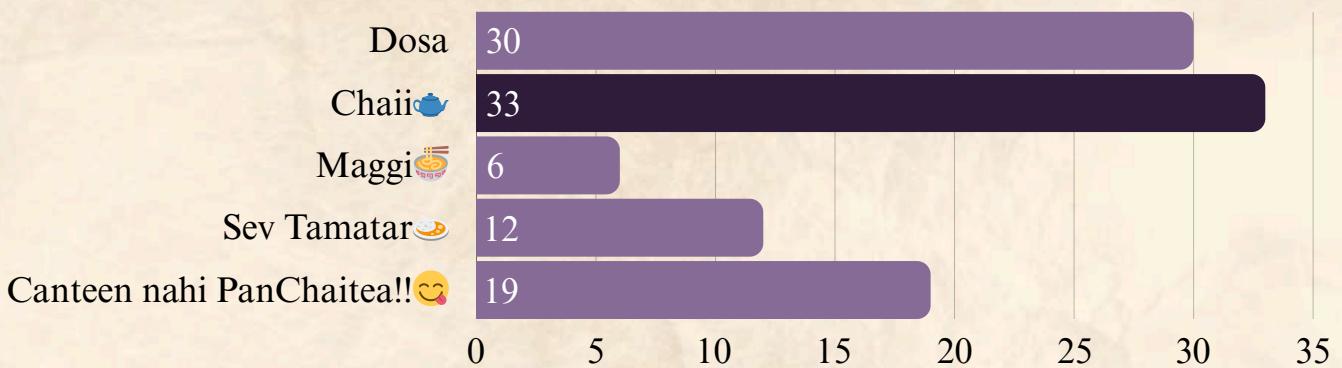

If your senior year had a smell,
what would it be?

If you could add a new subject to
the curriculum, what would it be?

One thing from canteen that kept
you alive?

What's the most likely reason you'd be late to graduation?

Canteen wale ne order late kar diya 🍔

41

Alarm nahi sunayi diya 🕒

38

Seminar ka free samosa pel raha tha 😊

21

0 10 20 30 40 50

What all attempts did you make to increase your marks in exam?

TA ko pata liya 😊

15

Bheek maanggi 💸

5

Likha nahi toh badhayega kya 😊

42

Exams kya hote hai? (sab moh maya hai) 😊

38

0 10 20 30 40 50

Best year of college?

First year: when I still had hope and clean shoes 🟢

7

Second year: mastered the art of skipping classes 😊

14

Third year: caffeine became my best friend ☕

2

Final year: survived on nostalgia and instant noodles 🍲

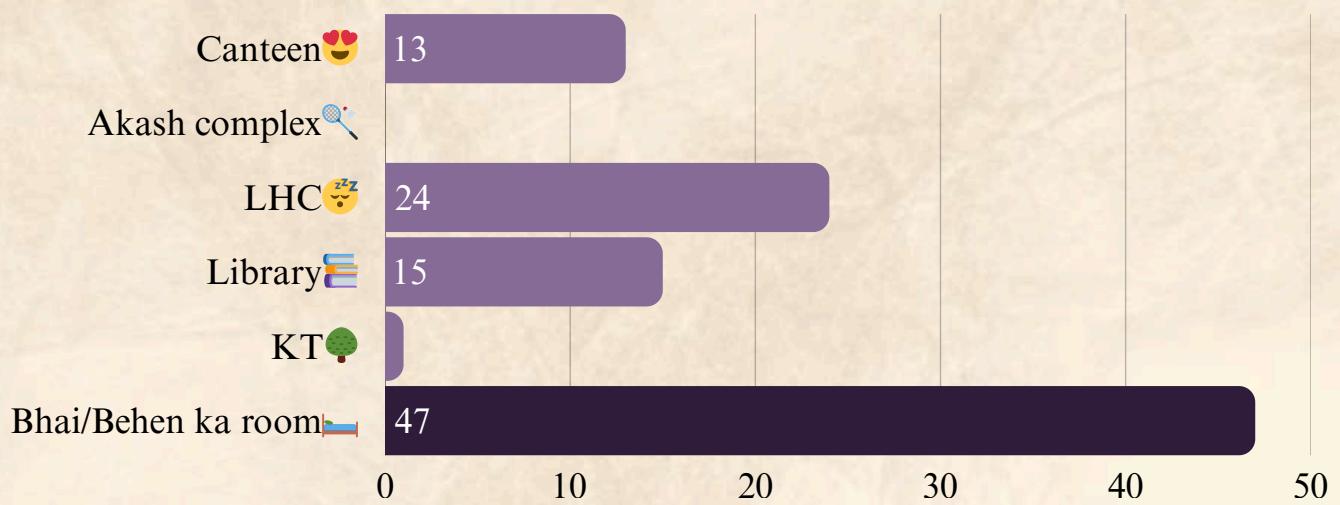

75

0 20 40 60 80

Which "superpower" did you secretly wish for during finals?

The ultimate spot to catch some nap between classes?
